

# Common Human Resource Information Standards

## Member Leave Period Day Quantity

Member Leave Period Day Quantity is the number of chargeable days that comprise a DoD Military Service member's completed leave period.

### Permitted Values

NA

### Structural Business Rules

Member Leave Period Type must have an associated Member Leave Period Day Quantity and Member Leave Period Address upon completion of a military leave period.

A Member Leave Period Day Quantity is derived from a Member Leave Period Start Date and Member Leave Period Stop Date.

A quantity must be a numeric value.
