

# Common Human Resource Information Standards

## Person Military Record Correction Application Resolution Date

---

Person Military Record Correction Application Resolution Date is the calendar date on which a Board of Correction of Military Record (BCMR) renders a decision on an Application for Correction of Military Record (DD Form 149).

### Permitted Values

NA

### Structural Business Rules

A calendar date must have a day, a month, and a year including century (i.e., YYYYMMDD).

A Person Military Record Correction Application Identifier must be associated with a Person Military Record Correction Discovery Date, Person Military Record Correction Application Receipt Date, and Person Military Record Correction Application Resolution Date when a Board for Correction of Military Record has made a final decision on an Application for Correction of Military Record (DD Form 149).

A Person must have only one Person Military Record Correction Application Resolution Date for an Application for Correction of Military Record (DD Form 149).
