

# Common Human Resource Information Standards

## Person Military Record Correction Application Receipt Date

Person Military Record Correction Application Receipt Date is the calendar date on which an Application for Correction of Military Record (DD Form 149) is received by the Board of Correction of Military Record.

### Permitted Values

NA

### Structural Business Rules

A calendar date must have a day, a month, and a year including century (i.e., YYYYMMDD).

A Person Military Record Correction Application Identifier must be associated with a Person Military Record Correction Discovery Date and Person Military Record Correction Application Receipt Date.

A Person Military Record Correction Application Identifier must be associated with a Person Military Record Correction Discovery Date, Person Military Record Correction Application Receipt Date, and Person Military Record Correction Application Resolution Date when a Board for Correction of Military Record has made a final decision on an Application for Correction of Military Record (DD Form 149).

A DoD Military Service member must have only one Person Military Record Correction Application Receipt Date for each Application for Correction of Military Record (DD Form 149).
