

Common Human Resource Information Standards

Member Survivor Benefit Plan Coverage Type Election

Member Survivor Benefit Plan Coverage Type Election is the coverage type an eligible DoD Military Service member elects for his/her Survivor Benefit Plan.

Permitted Values

- Spouse Only
- Former Spouse
- Children Only
- Decline Election
- Former Spouse and Dependent Children of that Marriage
- Natural Person With an Insurable Interest
- Spouse and Children

Structural Business Rules

Member Survivor Benefit Plan Coverage Type Election must be associated with a Member Survivor Benefit Plan Coverage Level Election, when the Standard Annuity participant's Member Survivor Benefit Plan Coverage Type Election is not Decline Election.

Member Survivor Benefit Plan Coverage Type Election must be associated with a Member Survivor Benefit Program Coverage Option Election for Reserve Component Annuity participants.

A DoD Military Service member may have only one Member Survivor Benefit Plan Coverage Type Election at a time.
